Chief nurse executives
  as board members, 2:9
  data needs for decision support of chief nurse executives, 4S:19
  intellectual property law and, 4:21
Clinical ladder programs, 2:42
Clinical nurse specialists
  case management directed by, 6:45
  role overlap between nursing unit managers and, 10:54
Clinical specialty maldistribution, literature review, 1:11
Clinical technician, as member of patient-focused healthcare delivery team, 12:32
Cognitive impairment, elderly persons with, use of home health services by, 6:20
Collective bargaining, 9:9
  Supreme Court decision affecting, 7/8:9
Commitment
  as force in nursing leadership, 9:61
  organizational, staff nurse perception of, 4S:39
Committees, evaluating structure of, 7/8:59
Community-based health support program, outcome-focused, 3:48
Community care. *See also* Home health agencies; Home healthcare nursing; Public health nursing
  Dutch patient classification system for, 7/8:32
Compact disks, for computers, 12:7
Compensation, interdependence of tax exempt salary status and professional nursing practice, 7/8:64
Competition, managed, implications for nurse managers, 2:3
Computers. *See also* Information technology; Online services
  compact disks for, 12:7
  computerized patient records, 9:15
  nurse use of, 11:30
  software users and abusers, 1:18
Confidentiality, of patient information, 2:19
Cost consciousness, of physicians, 3:4
Cost effectiveness, of case management directed by clinical nurse specialists, 6:45
Cultural diversity
  legal considerations related to, 11:13
  pocket-sized Spanish guide, 4:15
Culture, work, care delivery redesign using measures of, 5:32

D

Data
  agency-specific, 12:3
  data systems and data sets for work restructuring, 6:11
  for decision support of chief nurse executives, 4S:19
Decision-making
  data needs for decision support of chief nurse executives, 4S:19
  ethical, resources used by nurse administrators in, 3:17
Delegation, to unlicensed assistive personnel, 4:36
Discharge planning, nursing staff involvement in, 4:45
Dutch patient classification system for community care, 7/8:32

E

Editorials
  information technology as proactive strategic weapon, 4:5
  inter-rater reliability, 9:7
  letter to the editor, 5:64
